IMPORTANT NOTICE: Searches using the search bar at the top of the dataset are currently not working and producing an error message. To search this data set, use the blue "Filter" function until this issue is resolved.

The OATH Hearings Division Case Status dataset contains information about alleged public safety and quality of life violations that are filed and adjudicated through the City's administrative law court, the NYC Office of Administrative Trials and Hearings (OATH) and provides information about the infraction charged, decision outcome, payments, amounts and fees relating to the case. The summonses listed in this dataset are issued and filed at the OATH Hearings Division by City enforcement agencies.
